

# Bachelor of Arts Degree

## Humanities Major

### Purpose

The Humanities major provides a broad-based academic preparation for the student who desires to wait on specialization until graduate or professional school, is seeking an education in the arts and sciences, or who is unsure of a career path and wants a general approach instead of being placed into a specific program of study. This program will expose the student to studies in English, history, foreign language, communications, mathematics, science, as well as a significant number of electives to create a unique program of study tailored to the student's interests.

### Objectives

Upon completion of this program the student will be able to:

- Effectively communicate in both oral and written forms
- Apply a Christian worldview to a variety of disciplines
