The Administration assures the U.S. Department of Education, by signed Certification and Agreement, that Trinity Baptist College used the allocation of the Higher Education Emergency Relief Fund grant to help students. TBC disbursed the institution's total \$658,393.00 funding to current and past students:

- 306 students enrolled in the 2021-22 academic year received a HEERF grant disbursement
- The funding covered direct education expenses and course material costs for four students who lost a parent to the virus in 2021 and 2022
- Through disbursements to former students with outstanding balances, 28 individuals obtained their official TBC transcripts and can continue educational pursuits at other institutions
