**TBC measures retention rates for Associate's and Bachelor's degree programs with Fall-to-Fall enrollments based on first-time, full-time student statuses.*

***U.S. Department of Education guidelines indicate satisfactory completion times are within 150% of a degree program's standard completion time (e.g., TBC measures the Bachelor's degree completion rate at six years from a student's first enrollment).*

#TBC did not enroll full-time Graduate students for the enrollment periods listed in the table. TBC did not track Graduate retention or graduation rates for the periods listed in the table.
